EVERY PENNY ADDS UP

If you run a cash business, you inevitably deal with coins. They take a long time to count, and small denominations are miscounted and suffer shrinkage easily, leading to shortfalls and overs. This makes cash-up longer and tedious, taking time away from customer service.

The Protector Coin Range are affordable add-on or standalone coin smart-safes. They're easy to operate and accurately count coins in bulk - saving you more time and money.

INNOVATIVE, INDUSTRY-LEADING
CASH MANAGEMENT TECHNOLOGY.

PROTECTOR COIN RANGE

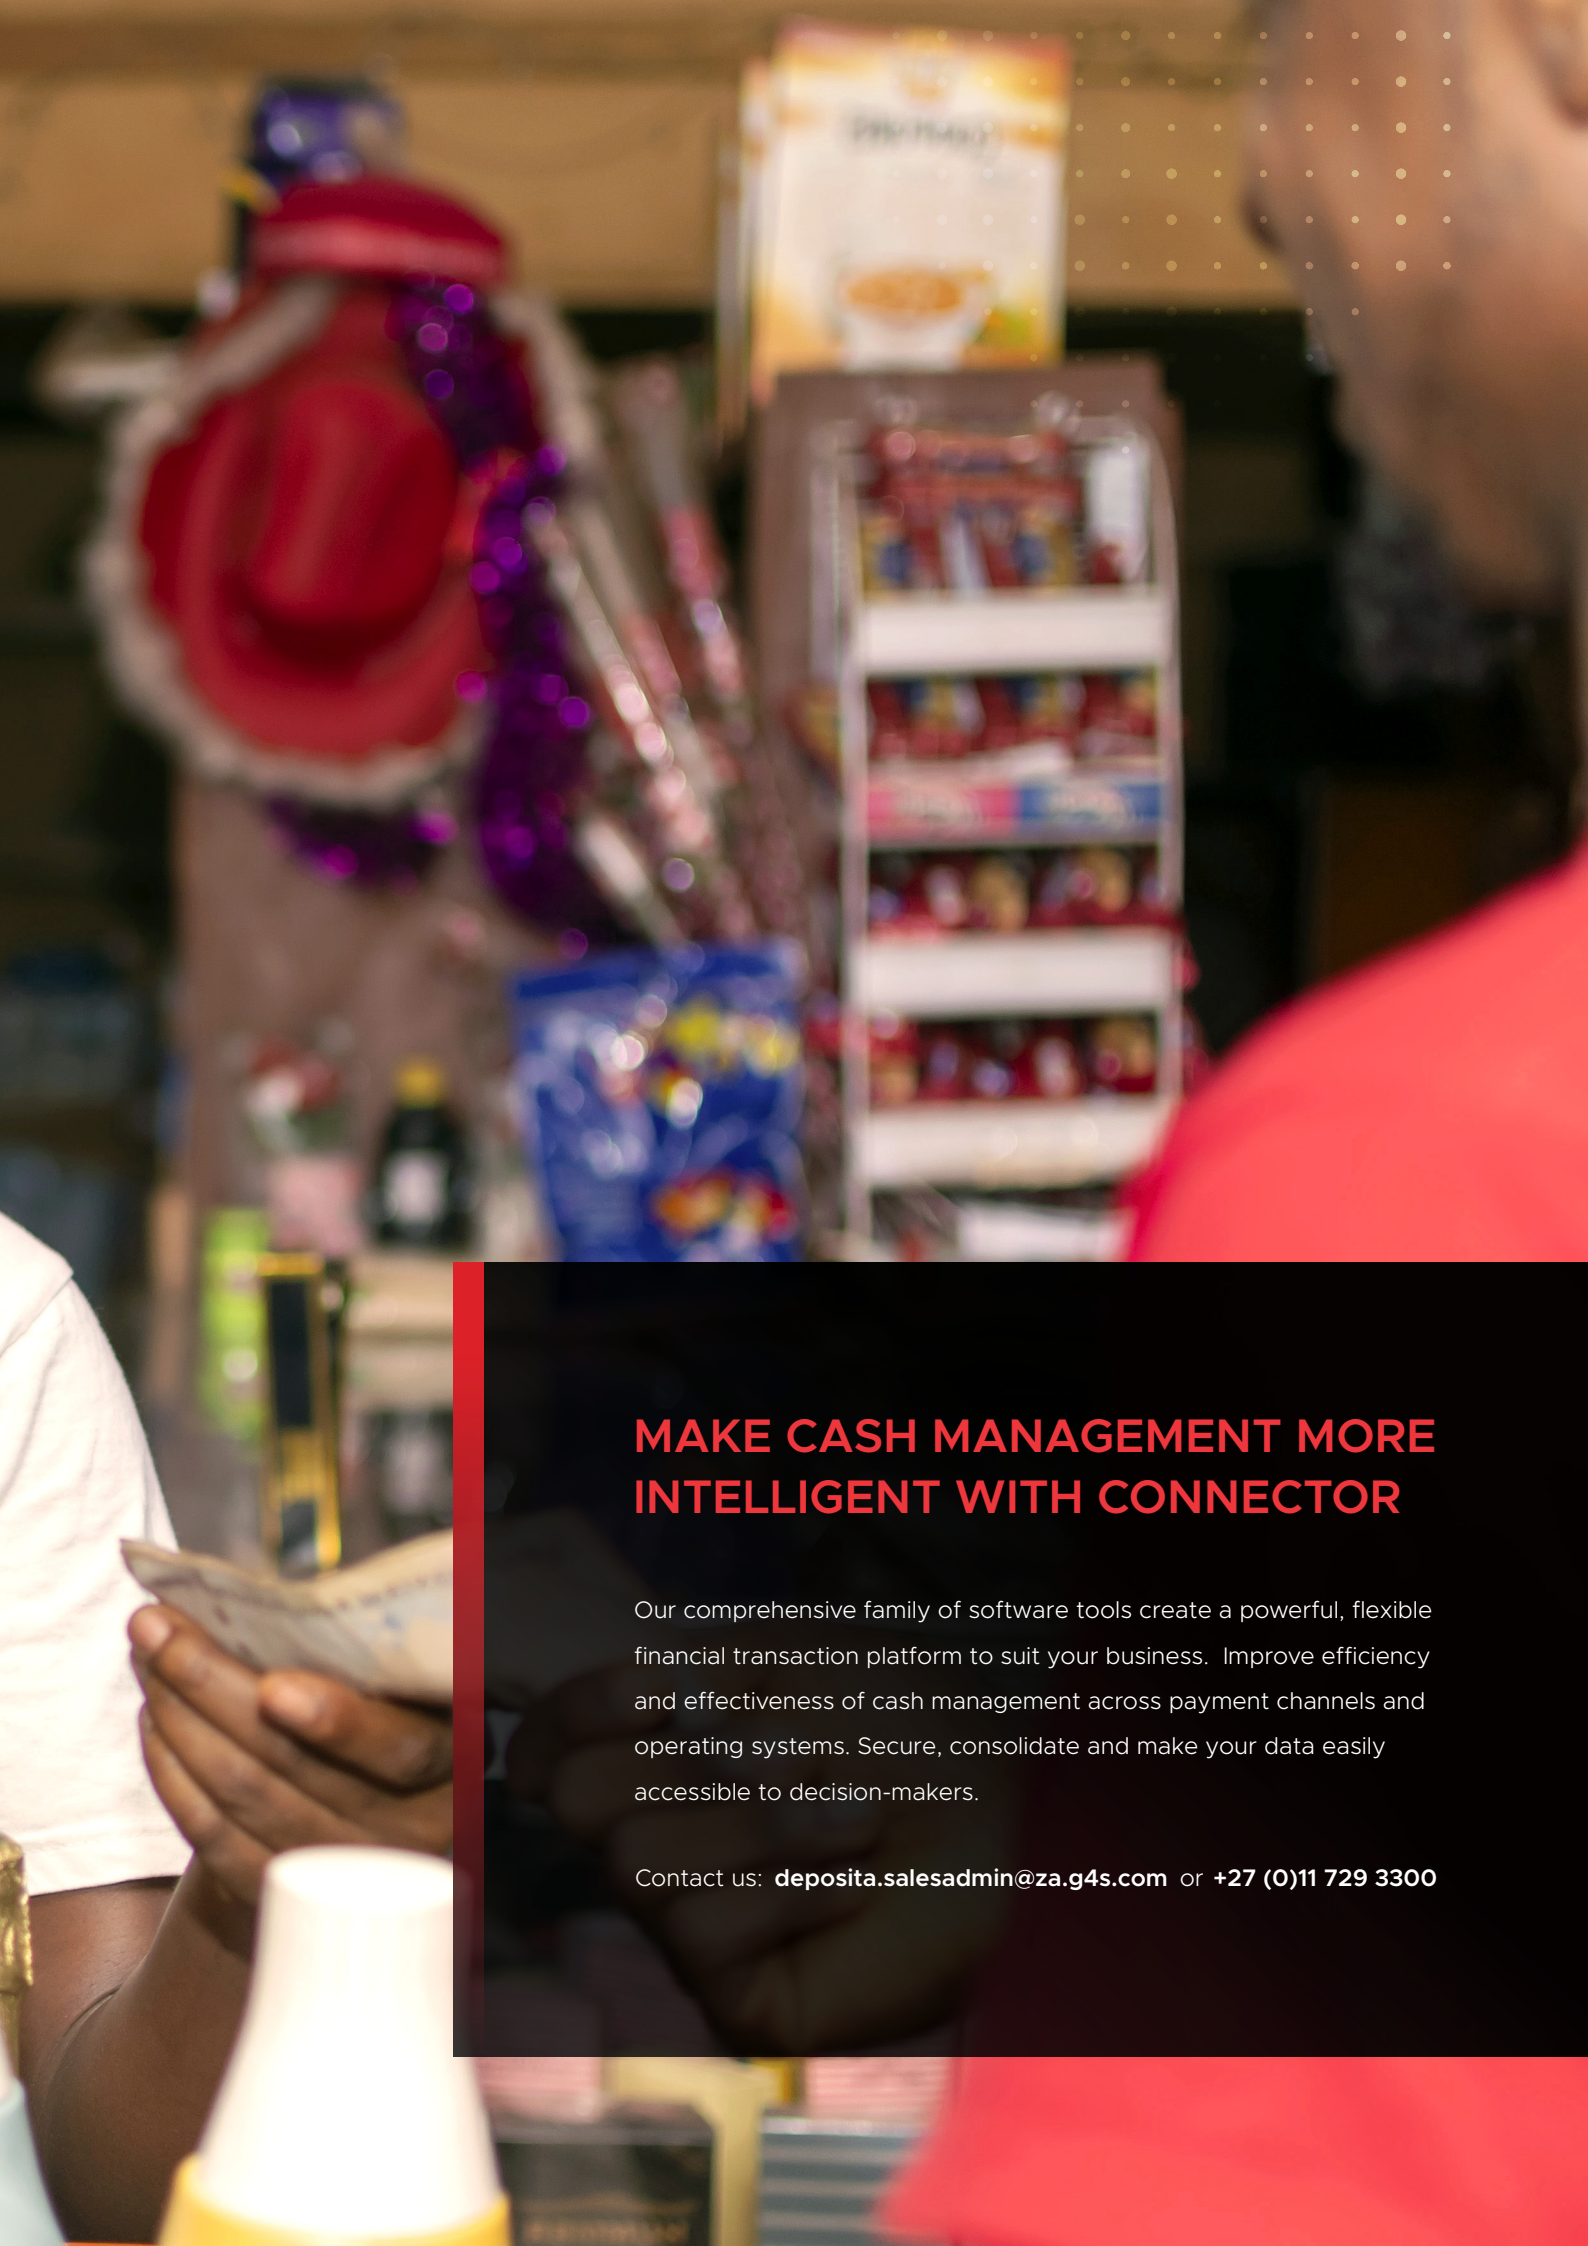

- Automatically detects and rejects counterfeit coins
- Tally 1 100 coins per minute
- Save time and reduced risk of shrinkage

PROTECT YOUR CASH AND FAST-TRACK
YOUR GROWTH WITH OUR SELECTION OF
CUTTING-EDGE, INDUSTRY-LEADING
CASH-HANDLING SOLUTIONS.

MAKE CASH MANAGEMENT MORE INTELLIGENT WITH CONNECTOR

Our comprehensive family of software tools create a powerful, flexible financial transaction platform to suit your business. Improve efficiency and effectiveness of cash management across payment channels and operating systems. Secure, consolidate and make your data easily accessible to decision-makers.
